3:45 PM	Discussion Period		
4:15 PM	Poster Session	Poster Session	
5:00 PM	End of First Day	End of Second Day	

Discussion Periods will be based on topics of interest of the audience. Planned topics will include a “Passive Sampler How-To Guide – study design, sample processing, and quality control” and a discussion on the use of passive samplers as a regulatory tool.

An evening social full of drinks, snacks, and fellowship is tentatively planned for Tuesday at the Crowne Plaza hotel. Details will be announced during the workshop (sponsored by Environmental Sampling Technologies, St. Joseph, MO, USA).

Following the end of the meeting on Thursday afternoon, group tours of the new Udvar-Hazy Air and Space Museum will be available. For attendees who wish to visit some of the attractions of the Washington DC area, Roger Stewart has offered to lead tours on Friday, April 27.
